Save Some Money!!

Don't forget to order your ticket(s) to attend the reunion—as ticket prices go up on March 1<sup>st</sup>! This event will sell out---don't delay--do it today!

HOW DO I SIGN UP?? Go to the Harbor Reunion website – [www.PirateReunion.com](http://www.PirateReunion.com) - and fill out the registration form and follow the steps. If you have already registered, go to the 'Invite' button, and click on the treasure chest at the bottom. That will download the ticket order form (it is also attached to this email). It's that easy!

When we get your order and payment, we will be posting all names of those attending!

Check out the interview with Arnie Levine, Harbor High Vice Principal, 1971 to 1981. We are launching a new information item - an interview with Arnie Levine, former HHS Vice Principal, and current community icon and servant. Make sure and read about what Arnie does (and doesn't!) know and remember about those years at Harbor, including the infamous snowball war, and where he is now. LOST - The series

In a little over a month we (with the help from all of you and classmates.com) have located 600+ classmates! While we so appreciate all of those who have responded to our requests to make their whereabouts known, there are still a LOT of classmates out there who haven't registered on the website, and probably don't know about the reunion!! Maybe they don't have a computer—Call them and do it for them!

If you got this e-mail and haven't registered, please do so ASAP!  
We are using these registrations to establish a database for the newly forming  
Harbor High Alumni Association.

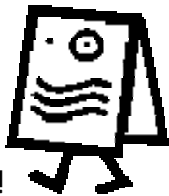

If every class member just tried to find the 5 people whose names are right before theirs in the class list, we would really cover some ground! What about the 5 people after your name too! There are several resources to help with this on the website, plus Jana and Jane would be happy to give you more.

Thank you in advance for your sleuthing.

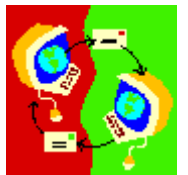

Do you want to be your Class Coordinator?

How about grabbing a yearbook to make sure we have everyone listed? Scanning some photos? Making sure others in your class know about this? Did your class have a song? A favorite memory we don't want to miss? Thanks to Leana Cross Mahn Class of '78, and Ned Rice Class of '80 for working with us---what about the other classes---Step right up!

Here's Your Sign!

We are having a banner made to display around the Santa Cruz area that will direct people to [www.PirateReunion.com](http://www.PirateReunion.com), and we need some key locations to display this banner. If you own a business and would you be willing to host to the banner for a week or two, please let us know right away. What better way to display your Pirate pride than to announce to all that YOU are supporting the first ever Harbor Multi-Class Reunion!

What have you done for us lately?

Have you emailed everyone you know in Santa Cruz to see who they might know?  
Have you called your siblings and friends that went to Harbor to see if they registered?

What about that high school crush - 25 years later-- it is time to make that call!

Operators are standing by!

Keep checking back on the website [www.PirateReunion.com](http://www.PirateReunion.com), and post at the Guestbook—tell your friends to come to the reunion! – It's a pre-reunion on-line party there, and there's even great photos of some of you!!
